Mr. Alexander Mark, Chairman
Mayor's Commission on Group Relations
City Hall
Newark 2, New Jersey

Dear Mr. Chairman:

The New Jersey Region of the National Conference of Christians and Jews sponsored its initial Brotherhood Youth Camp at Stokes State Forest, August 28 to September 2. We are pleased to relate we had 178 young people from the Eastern Seaboard in attendance. Seven of the participants came from the South.

We are pleased to advise you that the advice and leadership of the professional staff of the Mayor's Commission on Group Relations contributed immeasurably toward the overall success of this educational endeavor. Mr. Walter D. Chambers worked with our staff for twelve months preceding the Camp - at the Camp he served as a very able Coordinator of Activities. Mr. Daniel S. Anthony was ever willing to contribute his tremendous experience in the field of human relations - further, he served with distinction as a panel member on the Camp opening day helping to set the theme "Equality For All Americans" for the week.

We wish to use this means to express our appreciation to the Mayor's Commission on Group Relations for the invaluable services of Messrs. Anthony and Chambers. We look forward toward working with the Commission again.

Sincerely yours,

Howard J. Devaney
Regional Director
